

## CTS-I Certified Technology Specialist-Installation Exam Guide, Second Edition

by AVIXA Inc. (Author), Andy Ciddor (Author)

The most complete, up-to-date CTS-I exam study system

Published with AVIXA™, *CTS-I® Certified Technology Specialist-Installation Exam Guide, Second Edition* provides comprehensive coverage of all exam objectives on the leading internationally recognized certification for audiovisual installation professionals. Each chapter features learning objectives, best practices, diagrams, photos, and chapter review questions with in-depth explanations. Designed to help you prepare for the CTS-I exam, this authoritative resource also serves as an essential on-the-job reference.

Digital content includes:

- New CTS-I sample questions from AVIXA
- Links to a library of installation and AV math videos

Covers all CTS-I exam objectives, including how to:

- Manage an AV project
- Interpret audiovisual documentation
- Conduct pre-installation activities
- Route, pull, and terminate cable
- Mount AV equipment
- Build and wire racks
- Install audio systems
- Install video systems
- Verify systems
- Work with networks
- Perform system closeout
- Maintain and repair AV systems
